**INVITATION  
U23 NATIONS CUP  
May 30 – 31, 2020**

- PROMOTER:** World Minigolf Sport Federation
- ORGANIZER:** Deutscher Minigolfsport Verband e.V.  
MGC Murnau am Staffelsee e.V.
- LOCATION OF COURSES:** Seestrasse 8, D-82418 Murnau am Staffelsee, Germany  
**course A:** concrete  
**course B:** miniaturegolf
- PARTICIPATION:** All active members of the WMF, as long as they came up to their obligations towards the WMF. WMF Board can on application approve the participation of nations, which are not yet active members of WMF.
- TEAM COMPETITION:** National teams with 4 players (composition open, but at least one female and one male player must be included). Teams with 3 players can however participate, also non-mixed teams as 3 player teams.  
**Players aged up to 23 years (until and including the year, in which they have their 23<sup>rd</sup> birthday; born 1997 or later) are eligible for the tournament.**  
Maximum 4 teams per nation  
Total maximum 16 players per nation  
Further male and female kid players are welcome (born 2005 or later).
- MODE:** **Nation ranking for composition of two groups:**  
The nation ranking according to the results of the YEC 2019 Liepaja is calculated as follows:  
1. team ranks (male youth and female youth) – 5 nation points each  
2. team ranks – 3 points each  
3. team ranks – 2 points each  
4. team ranks – 1 point each  
Points of male youth and female youth of each nation are added up.  
A draw will be done between nations with identical points.  
**The nation ranking for 2020 is as follows:** 1. Sweden and Germany – 8 p., 3. Russia 4 p., 4. Czech Republic 2 p., 5.-6. Italy and Austria
- Composition of two groups:**  
The teams are divided into two groups as follows:  
best + fourth ranked nation: team 1 in group A, team 2 of these nations in group B, team 3 of these nations in group A , team 4 of these nations in group B  
second + third ranked nation: team 1 in group B, team 2 of these nations in group A, team 3 of these nations in group B, team 4 of these nations in group A  
For remaining nations a draw will be done; two teams of the same nation are placed in different groups.
- Qualification rounds:**  
The number of rounds depends on the playing time, which is fixed on Saturday from 08.00 to 18.00 and on Sunday from 08.00 to 11.00.  
Maximum of 6 rounds on Saturday.  
In case of slower playing, the play is interrupted at 18.00 on Saturday and continued with a shotgun start on Sunday 08.00.  
Absolute end of qualification rounds: Sunday, 11.00.
- Scoring in qualification rounds inside the two groups:**  
Per round and 4-player-team the worst of 4 results is cancelled and the best 3 results are added up. In 3-player teams no results are cancelled.  
After each round the teams get points.

For each victory against any other team in the group, a team gets 2 points  
For each equal score, a team gets 1 point  
For each lost game, a team gets 0 points

If teams have same number of total points at the end of qualification rounds, the better total score of played shots will determine the ranking. If two or more teams have the same score, a team sudden death is played on course A with the rules of qualification rounds (the worst result per lane is cancelled for 4-player teams).

#### **Qualification for the semifinals / finals:**

From each group, the first 2 teams qualify for the semifinals, the teams ranked 3 and 4 continue with the matches for ranks 5 - 8.

Semifinals: 2. group B – winner group A  
2. group A – winner group B  
Match for rank 3: loser semifinal 1 – loser semifinal 2  
Final: winner semifinal 1 – winner semifinal 2  
Matches for rank 5 - 8: Match 1: 4. group B – 3. group A  
Match 2: 4. group A – 3. group B  
Match for R7: loser match 1 – loser match 2  
Match for R5: winner match 1 – winner match 2

#### **Mode of matches for rank 5 - 8, semifinals and finals:**

The finals are played as cup-system of the teams.

Composition of the pairings:

team 1 player 1 - team 2 player 1  
team 2 player 2 - team 1 player 2  
team 1 player 3 - team 2 player 3  
team 2 player 4 - team 1 player 4

After 18 lanes the playing order inside each pairing is changed.

Winner is the team with the lowest total score after 36 lanes.

Per round and 4-player team the worst of 4 results is cancelled.

If there are no 3-player teams playing for the same rank (1-4, 5-8, in final round all matches), all 4 results count and cancellation rule does not apply.

Necessary team sudden death: right after the end of each match at the course last played. For a 4-player team the worst of 4 results at each lane is cancelled, if this rule was used in the said match too.

#### **PENALTY SYSTEM:**

The penalty system in the competition is the standard system described in WMF worldwide international sport rules chapter 2.3.18 and 2.3.19. Penalties from preliminary rounds are carried forward to the play-offs.

#### **RULES IN CASE OF ABANDONMENT:**

If the tournament has to be abandoned prior to the planned end, the ranking will be done as follows:

##### **Case 1: final abandonment during qualification rounds**

###### Team ranking from 1-4:

From each group, the two teams with currently highest points are ranked according to their strokes on all sequences of full 36 lanes which are completed by all teams (reason: in groups with different numbers of teams (i.e. 7 and 8 teams) the teams can win different number of points per round and the points are not comparable)

###### Team ranking from 5-8:

analogous to ranks 1-4

###### Further rankings:

All teams from place 5 down in each group will be put in one pot and ranked according to their strokes on all sequences of full 36 lanes, which are completed by all teams.

##### **Case 2: final abandonment during semi-finals**

###### Before all teams could finish the first 18 lanes:

The 4 teams will be ranked according to their total stroke scores in qualification rounds, worst possible place for each of these teams is place 4. (analogous places 5 - 8).

If all teams have finished at least 18 but not 36 lanes:

Ranking according to the results of the first 18 lanes of the semifinal under consideration of the 3-player special rule if applied. (analogous places 5 – 8)

**Case 3: final abandonment after semi-finals**

Winner is that winner of the two semi-finals, who has the lower number of strokes in the semi-final under consideration of the 3-player rule if applied. Places 3, 5 and 7 analogous.

**Case 4: final abandonment during the final**

Final places are defined according to the scores of all lanes, which are completed by both players in the pairings (analogous in the matches for places 3, 5 and 7) at the time the competition is abandoned.

If the teams participating in the final are a 3-player and a 4-player team (analogous in the matches for places 3, 5 and 7) and the competition is abandoned during the final, winner is the team who has the lower number of strokes in the semi-final stage.

**ADDITIONAL INTERNATIONAL KIDS' CHAMPIONSHIP**

All participating female and male kids (born 2005 or later) are ranked, regardless of if they play in teams or only in the kids' competition. The scores of all qualification rounds are counted. Separate categories for male and female kids are played, if there are at least 4 participants in both categories.

**COACHES:**

Maximum of two coaches per nation are allowed on each course during all competitions, regardless of the number of participating players of the nation.
