The worldwide international sport rules of WMF including supplementary rules and worldwide international sport regulations are applied for the Open Youth European Championships. In particular please note the regulations for the World and Continental Championships of WMF. Sport shoes and uniform team sports clothing appropriate for minigolf are required during official practice time and tournament. Only sports hats are allowed.

Each participant – or for minors (participants younger than 18 years) their legal guardian – must have signed two forms for acceptance of WADA-code 2021, media coverage and WMF anti-doping regulations

1. Athlete Consent form
2. Declaration of full media acceptance

Both forms are attached to this invitation. Please fill in the forms electronically (or by hand), print and sign them and then send the scans to antidoping@minigolfsport.com. You will get confirmation that the files are well received. In case of weak scan quality, you will be informed to bring the originals to the championships.

For participants, who have filled in the forms during 2022 Youth World Championships or U23 NC in Murnau am Staffelsee, no new forms are needed. If you are unsure, please check with the WMF Antidoping Officer, mail address above.

Mode of the team championships

Admittance: All registered teams participate in the team championships in their respective categories. Maximum one female youth national team and one male youth national team per nation is allowed. Teams must consist of players who are registered for the individual strokeplay championships.

Mode and ranking: The scores of all finished rounds in the category are added up for the ranking of team championships.

The number of rounds for team competition can be reduced to 6 by the decision of jury before the tournament. If such decision is made, it will be announced at the coach meeting latest.

Furthermore, if it is not possible to finish the scheduled 8 rounds of the team competition by the end of day 2, the jury has the right to cut the number of rounds to 7 or 6.

If at least six rounds of the team competition have not been finished by the end of day 2, the team competition will be continued on the day 3 and the intermediate round of individual strokeplay championships will possibly be cancelled.

Deadline for the end of team competition is 14.00 on day 3. All fully completed team rounds are counted for the respective category.

Mode of individual strokeplay championships

Admittance: All registered players participate in the individual strokeplay championship in their respective categories.

Cut for the final round: The best 9 players of category female youth after the intermediate round (and players with equal scores)
The best 15 players of the category male youth after the intermediate round (and players with equal scores)

Mode and ranking: All finished rounds of the team competition and the intermediate rounds are the preliminary rounds of the individual strokeplay championships. If the team competitions have not been finished in scheduled time, one of the intermediate rounds will possibly be cancelled or cut.

The scores of the preliminary rounds and the final rounds are added up for the ranking of individual strokeplay championships. If the intermediate rounds have not been finished in scheduled time, the final rounds can be cut from 2 to 1 round.

Mode of the mixed pairs' strokeplay championships

Admittance: All registered mixed pairs participate in the mixed pairs' strokeplay championships. A mixed pair consists of one female and one male player from the same nation. Maximum four pairs and category per nation is allowed. Pairs must consist of players who are registered for individual strokeplay championships.

Mode and ranking: The playing mode of mixed pairs' strokeplay championship is as follows:
One starting group consists of two pairs. In case of an uneven amount of pairs, one group of three pairs will be made and this group will play as the last group of the playing field.

The player in turn to play alternates after every stroke on a lane, until the lane has been completed or six strokes have been used. The players in a pair must use the same ball on a lane from the first stroke until completion of the lane.

The male player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 1. The female player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 1. The female player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 2. The male player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 2.

The procedure will be the same for qualifying and final rounds.

The scores of the two qualifying rounds are added up for the qualification ranking of the mixed pairs' championship.

The best 16 pairs will qualify for the mixed pairs' finals. In case of even scores, a sudden-death playoff will be played at the end of the qualifying rounds for qualifying to the mixed pairs' final.

In case of even scores, a sudden-death playoff will be played at the end of the qualifying rounds for qualifying to the mixed pairs' final.

In case of necessary sudden-death, it will be played as follows: A coin toss or other way of draw will decide the playing order of the pairs. Male players start on odd lanes, female players start on even lanes. The playing order of the teams alternates each lane according to the WMF worldwide international sport rules regarding sudden death playoffs.

The scores from the qualifying rounds are carried on to the two final rounds of mixed pairs' competition. The pairs are regrouped according to the ranking of the qualification rounds.

In case of sudden-death it will be played immediately at the end of the mixed pairs' finals. The sudden-death format will be the same than for qualifying to the final (see above).

Mode of individual matchplay championships

Admittance:

First 16 female youth players and 32 male youth players according to the results of the qualification rounds (team competition rounds + intermediate round of individual strokeplay championships) are qualified.

For equal scores at the cut there will be a sudden-death beginning at lane 1.

In case of equal scores among the qualified players, the ranking order of the players and thus the places in the final table are defined by the WMF sport rules (chapter 2.3.9.4) for scoring and play-offs. If there still is a tie between two or more players after counting all the differences, a coin toss or other way of draw has to be made for deciding these ranks. The mentioned WMF sport rules apply even to the players qualified by sudden-death – their ranking order is decided by those rules, not by the results of the sudden-death.

The results of the final round of individual strokeplay competition do not affect the rankings for the matchplay finals. The grid for matchplay championships is defined according to the results after the intermediate round.

Brackets for the individual matchplay finals of female youth and male youth are presented on the following pages.

If any qualified player doesn't appear at the start for any reason whatsoever, there is no replacement by the next player of the ranking list after qualification rounds. His/her place in the table remains empty and other players keep their original places.

Lanes to be played:

18 lanes concrete

Mode and ranking:

All rounds are played as matchplay.

Matches until semi-finals are played with shotgun start.

Semi-finals, finals and matches for rank 3 are started at lane 1 (in order: female youth, male youth), one match after the other. For the finals, the matches for bronze medals start first, followed by the matches for gold.

The better ranked player after the qualification rounds in the pairing always plays first on the starting lane of the match. After that, the leading player in the match always starts the next lane. If there is currently no leader in the match the playing order remains unchanged until there is a leader and thus possibly a new starting player. This also applies for the first lane of the sudden-death playoffs in the matchplay. The following lanes are played according to the general sudden-death rule.

Number of won lanes decides about the winner (matchplay mode), who proceeds to the next round. In case of equal number of won lanes after full 18 lanes (or fewer if the number of played lanes has been cut due to weather), the match is continued at the next lanes until a player wins one lane.

A match has to be stopped earlier than after 18 lanes, as soon as one player has already won the match mathematically.

Play at a lane has to be stopped as soon there is a winner for the lane.

Losers below rank 4 are graded as follows: all four losers of the quarterfinals are ranked 5th in the result list and presented as „quarter-finalists“ at the closing ceremony, loser of the other matchplay rounds are ranked equally as 9th, resp. 17th.

In case of bad weather conditions during the **individual matchplay finals**, rounds are cancelled in a way that a chance for a real final always remains. **First option** is to cut the first round for male youth and to start with 16 male youth players. **Second option** is to change the number of lanes for each round if necessary. The minimum number of lanes played per round is 12. It is possible to play the same lanes more than once during a round, if this helps to complete the competition (for example 2 x 6 lanes). The decisions for any changes are done by the jury of the championships.

Terminal abandonment during individual matchplay finals:

In case of terminal abandonment during any round before finals (until all matches of the round in one category have been completed): The matchplay championship of such category is completely cancelled and there is no ranking at all.

In case of terminal abandonment during final match and/or match for rank 3: Both finalists will receive a gold medal and/or both players in the match for rank 3 will receive a bronze medal.

Decisions on bad weather conditions during the competition:

The decisions for any changes are done by the jury of the championships.

Penalty system:

Penalties for players

The standard system described in WMF worldwide international sport rules chapter 2.3.18 is used in the **team competition, mixed pairs' strokeplay competition and individual strokeplay competition**. All penalties from the qualification rounds of the individual strokeplay competition are carried forward to the individual strokeplay final round. Penalties from strokeplay competition are not carried forward to the mixed pairs' strokeplay competition. In the mixed pairs strokeplay competition all penalties are recorded for the pair, regardless of which player committed the violation.

The following penalty system is applied for the **individual matchplay finals**:

No penalties from the qualifications rounds nor the mixed pairs' strokeplay championships are carried forward to the matchplay finals.

First step is a written pre-warning with no consequences.

For all following violations, the player in question loses the next undecided lane (meaning the next lane, which has no winner yet). Referees have the possibility to skip the pre-warning level in case of severe or tactical violations.

Penalties for coaches

For **coaches**, the standard penalty system described in WMF worldwide international sport rules chapter 2.3.19 is used throughout the entire tournament.

Referees have the possibility to skip the pre-warning level in case of severe or tactical violations

Coaches:

A maximum of two coaches per nation is allowed on the course during all competitions, regardless of the number of participating players of the nation.
