FOURTH DAY OF COMPETITION

FINAL DAY OF INDIVIDUAL MATCHPLAY CHAMPIONSHIPS

08.00 am	start of individual matchplay finals for the best 32 men
10.00 am	start of individual matchplay finals for the best 16 women
14.00 am	presentation of semi-finalists women and men

After competition:	medal ceremony for individual matchplay championships on the courses
08.00 pm	closing ceremony

Mode of team championships

Admittance: All registered teams participate in the team championship in their respective categories.

Mode and ranking: The scores of all finished rounds in the category are added together for the ranking of team championships. If the scheduled six rounds of the team competition have not been finished by the end of day 2, the team competition will be continued on the day 3 and the intermediate round of individual strokeplay championships will possibly be cancelled. Deadline for the end of team competition is 02.00 pm on day 3.

Mode of individual strokeplay championships

Admittance: All registered players participate in the individual strokeplay championship in their respective categories.

Qualification for the final round: The best 9 women and the best 15 men after the intermediate round and players with equal scores at the cut.

Mode and ranking: All finished rounds of the team competition and the intermediate round are the preliminary rounds of the individual strokeplay championships. If the team competitions have not been finished in scheduled time, the intermediate round will possibly be cancelled or cut. The final round is played in pairings of three players. The scores of the preliminary rounds and the final round are added together for the ranking of individual strokeplay championships. If the intermediate round has not been finished in scheduled time, the final round can be cut to be played on less than 36 lanes.

Mode of individual matchplay championships

Admittance: First 16 women and 32 men according to the results of the qualification rounds (team competition rounds + intermediate round of individual strokeplay championships) are qualified.

For equal scores at the cut there will be a sudden-death beginning at lane 1 at the course played last by this category.

In case of equal scores among the qualified players, the ranking order of the players and thus the places in the final table are defined by the WMF sport rules (chapter 2.3.9.4) for scoring and play-offs. If there still is a tie between two or more players after counting all the differences, a coin toss or other way of draw has to be made for deciding these ranks. The mentioned WMF sport rules apply even to the players qualified by sudden-death – their ranking order is decided by those rules, not by the results of the sudden-death.

The results of the final round of individual strokeplay competition do not affect the rankings for the matchplay finals. The grid for matchplay championships is defined according to the results after the intermediate round.

The complete table for the finals of women and men is presented on the next pages.

WORLD MINIGOLF SPORT FEDERATION

If any qualified player doesn't appear at the start for any reason whatsoever, there is no replacement by the next player of the ranking list after qualification rounds. His/her place in the table remains empty and other players keep their original places.

- Lanes to be played:** 9 lanes concrete / course B: Lanes 1, 2, 4, 5, 12, 13, 14, 17, 18
9 lanes miniaturegolf / course A:
The 9 lanes with the highest average score at the Nations Cup.
Only the results of the players of the best eight teams are considered for the calculation of the averages. Single lanes can be changed by the tournament jury for good reasons. The decision regarding the lanes which are played will be published at the coach meeting.
- Mode and ranking:** All rounds are played as matchplay.
Matches until semi-finals are played with shotgun start.
For starting lanes see play-off tables.
Semi-finals, finals and matches for rank 3 are started at lane 1 of course A (in order: women, men) one match after the other.
The higher-ranked player after the preliminary rounds in the pairing always plays first on the starting lane of the match. After that the leading player in the match always starts the next lane. If there is currently no leader in the match the playing order remains unchanged until there is a leader and thus possibly a new starting player. This also applies for the first lane of the sudden-death playoffs in the matchplay. The following lanes are played according to the general sudden-death rule.
Number of won lanes decides about the winner (matchplay mode), who proceeds to the next round. In case of equal number of won lanes after full 18 lanes (or fewer if the number of played lanes has to be cut due to any reason) the match is continued at next of the chosen lanes until one player wins one lane.
A match has to be stopped earlier than after 18 lanes, as soon as one player has already won the match mathematically.
Play at a lane has to be stopped as soon there is a winner for the lane.
Losers of the same round are finally ranked according to their total results of qualification rounds.
- Scorecards for play-off:** Layout of scorecards - see next pages
- Final abandonment during individual matchplay finals:**
In case of final abandonment during any round before finals (until all matches of the round in one category have been completed): The matchplay championship of such category is completely cancelled and there is no ranking at all.
In case of final abandonment during final match and/or match for rank 3: Both finalists will receive a gold medal and/or both players in the match for rank 3 will receive a bronze medal.

Bad weather conditions during the competition:

The team competition is finished latest at 02.00 pm on third competition day; all fully completed team rounds are counted for the respective category.

For individual strokeplay competition please see the mode (above).

In case of bad weather conditions during the individual matchplay finals the rounds are cancelled in a way, that a chance for a real final always remains. First option is to cut the first round for male and to start with 16 male players.

Second option is to change the number of lanes for each round if necessary. The minimum number of lanes played per round is 12. It is possible to play same lanes more than once during a round, if this helps to complete the competition (for example 2 x 6 lanes). It is also possible that these lanes are on one course only (for example 2 x 6 lanes miniaturegolf covered by tents), but if possible, the option of playing both courses must be preferred. The decisions for any changes are done by the jury of the championships.

Penalty system:

The penalty system in the team competition and individual strokeplay competition is the standard system described in WMF worldwide international sport rules chapter 2.3.18.

All penalties from the qualification rounds of the individual strokeplay competition are carried forward to the individual strokeplay final round.

The following penalty system is applied for the individual matchplay finals: No penalties from the qualifications rounds are carried forward to the matchplay finals.

First step is a written pre-warning with no consequences.

For all following violations the player in question loses the next unfinished lane (meaning the next lane, which has no winner yet).

Referees have the possibility to skip the pre-warning level in case of severe or tactical violations.

Coaches:

Maximum of two coaches per nation are allowed on each course during all competitions, regardless of the number of participating players of the nation.
