Mixed pairs rules:

The playing mode of mixed pairs' final is as follows:

8 pairs qualify for the finals of mixed pairs competition. In case of necessary sudden-death after the qualifying, it will be played as follows: Both players of each pair will play every lane. The total score of both players counts as score for the pair on the respective lane, following the principles of the qualifying. The playing order on sudden death lane number one: Pair A female player, pair B female player, pair A male player, pair B male player. The playing order of the pairs will change on following sudden death lanes according to the WMF worldwide international sport rules. Inside the pair the female player will always play before the male player.

The final rounds of mixed pairs' competition will start from scratch. Qualifying scores are not taken to the final. The pairs are grouped in reverse leaderboard order of the qualification rounds.
