Maximum four pairs per nation are allowed. Pairs must consist of players who are registered for individual strokeplay championships.**

Mode and ranking: **The playing mode of mixed pairs' championship is as follows:**
The player in turn to play alternates after every stroke on a lane, until the lane has been completed or six strokes have been used.
The players in a pair must use the same ball on a lane from the first stroke until completion of the lane.

The male player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 1. The female player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 1.
The female player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 2. The male player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 2.

The scores of the two rounds are added up for the ranking of the mixed pairs' championship.
In case of even scores, a sudden-death playoff will be played at the end of the rounds.

In case of necessary sudden-death, it will be played as follows: A coin toss or other way of draw will decide the playing order of the pairs. Male players start on odd lanes, female players start on even lanes. The playing order of the teams alternates each lane according to the WMF worldwide international sport rules regarding sudden death playoffs.
